III. Sole Source Justification (For Procurement Officers)

Statement of Unique Qualifications: Central Wisconsin EMS-Legal Consulting LLC provides a proprietary "Tactical-to-Clinical" auditing framework. Unlike standard medical billing or Q/A firms, our approach utilizes forensic data mapping (cross-referencing millisecond-accurate CAD/AVL and clinical device telemetry) combined with 30 years of specialized logistics and ammunition-grade security expertise. This integration of clinical reality and logistical precision constitutes a unique service capability.

IV. Terms of Engagement

- 1. Travel: Mileage for on-site visits outside of Central Wisconsin is billed at the current IRS standard rate.***
- 2. Turnaround: Standard audit reports are delivered within 14 business days of data access.***
- 3. Payment: Net-30 terms available for municipal and government entities.***
