

# **ANTHONY W. CARLSON, CCEMT-P**

306 Cedar St. Nekoosa, WI 54457 | (715) 412-1953

Logistics Specialist | Critical Care Paramedic | District III Alderman

## **PROFESSIONAL SUMMARY**

High-capacity Logistics Professional and Critical Care Paramedic with over 20 years of experience spanning military operations, emergency medicine, and municipal governance. Expert in high-stakes supply chain management, clinical documentation, and regulatory compliance. Combines technical military precision with the strategic leadership of a District Alderman to deliver data-driven solutions in healthcare and logistics environments.

## **CORE COMPETENCIES**

- Operational Logistics: Supply chain management, inventory auditing, and "mission-ready" equipment staging.
- Clinical Subject Matter Expertise: Deep understanding of EMS protocols, ACLS, PALS, and Critical Care standards.
- Administrative Leadership: Municipal budgeting, public policy development, and inter-agency collaboration.
- Analytical Writing: Drafting formal proposals, grant writing, and technical research/analysis.

## **PROFESSIONAL EXPERIENCE**

### **ASPIRUS MEDEVAC**

| *Logistics Specialist / CC Paramedic* | 2017 – Present

- Manages critical medical supply chains and equipment readiness for multiple air and ground bases.
- Executes complex logistics for critical care transports, ensuring 100%

compliance with healthcare regulations.

- Analyzes inventory data to optimize resource allocation and ensure base readiness.

## **CITY OF NEKOOSA**

| *District III Alderman* | 2024 – Present

- Serves on the Common Council and Safety Committees, overseeing municipal policy and infrastructure.
- Reviews technical proposals for regional development, including fiber-optic and technology initiatives.
- Manages public funds and budgets, prioritizing community growth and public safety.

## **SPIRIT MEDICAL TRANSPORT**

| *Critical Care Transport Paramedic* | 2012 – 2017

- Delivered advanced clinical care in high-pressure environments, including ER, ICU, and flight-wing settings.
- Maintained detailed medical documentation and compliance records for complex facility transfers.

## **MIDWEST MEDICAL TRANSPORT**

Nebraska | *Paramedic / ALS Lead* | 2009 – 2012

- Led long-distance Advanced Life Support (ALS) transports, coordinating logistics across state lines.

## **MILITARY SERVICE**

U.S. ARMY RESERVES (395TH ORD CO.) | *Ammunition Specialist* | 1993 – 2001

- Managed all aspects of ordnance logistics, including high-security shipping, receiving, and storage.
- Ensured strict adherence to safety protocols and inventory accuracy in mission-specific environments.

## **EDUCATION & CREDENTIALS**

- LIBERTY UNIVERSITY: B.S. in Theology and Biblical Studies (In Progress—48+ credits completed).
- NORTH CENTRAL COLLEGE: CCEMT-P Certification.
- CENTRAL COMMUNITY COLLEGE: Paramedic Certificate.
- Medical Certifications: AMLS, ACLS, AHA BLS, PALS, NIH Stroke Scale, TNATC.
- Operational Certifications: NIMS (National Incident Management System), FEMA Emergency Management.
